

A poster is mounted on the metal stand. The poster features a border of red hearts. The main text on the poster is in Japanese. At the top, it says "想いが叶う" (Thoughts come true) and "幸福を呼ぶ石" (A stone that calls for happiness). Below this, there are several paragraphs of smaller text and two small illustrations: one of a person and one of a stone. The poster is held in place by a metal frame.
